The following terms and conditions apply for reserving and cancelling Valkeisen Loma accommodation services. These conditions are binding for both parties and take effect from the moment a guest makes a reservation. The person making the reservation must be at least 18 years old.

### Booking and payment

The reservation can be made by phone, email or on-line. A written booking confirmation will be sent by Valkeisen Loma via email or through the online booking system used to make the reservation. If no email address exists, the booking confirmation can be sent by post if required.

Payment can be made either at Valkeisen Loma, as invoiced, or in accordance with the online reservations system's terms and conditions.

### Cancellation and amending the reservation

Notice of cancellation by email or phone must be provided by the person in whose name the reservation was made. If the reservation was made through some other online system than Valkeisen Loma's own system (<https://valkeisenloma.com/majoitus>), the reservation must be cancelled using the same reservation system (Booking.com, Visit Ähtäri central reservations or similar). The cancellation is valid only after it has been received by Valkeisen Loma.

If the reservation is cancelled or amended at least one day prior to the original arrival date, no cancellation fee will be due, and all payments made will be refunded. In case notice of cancellation or an amendment request is received later than this, Valkeisen Loma is entitled to charge in full for the first night of the booking. The same applies if the customer does not arrive. If any online system was used for the reservation, the terms and conditions of that system apply.

### Valkeisen Loma's right to cancel the reservation

In the case of force majeure, Valkeisen Loma may cancel the reservation. The customer is then entitled to receive the amount remitted paid back in full.
